Once upon a time there was a tailor. He lived with his wife and five children in the village of Swaffham. The tailor and his wife worked hard, but they never had enough money.

They lived in a small cottage. In the garden there was a big, old, oak tree. The tailor often sat under the tree. One day he was sitting under the tree when he fell asleep. While he was sleeping, his wife came out of the house. She woke him up.
